HOME WATCH CHECKLIST

Exterior

-] Ensure all doors, windows, gates, and out-buildings are locked and properly secured
-] Clean off driveway, walkways, porches, and decks, and inspect for safety issues
-] Check exterior openings, crawl spaces, and/or basement for moisture and insect/rodent entry
-] Provide severe weather storm inspections
-] Start vehicles and boats if accessible, noting battery health
-] Place trash out for collection, or collect ourselves for an additional \$45 per month
-] Spray for bees around the exterior of home
-] Inspect for any visible issues with roofing and gutters
-] Inspect for proper drainage around house and grounds
